***Subject to approval.** Certain restrictions apply. We reserve the right to decline any request. Available for auto, personal and motorcycle loans with MemberSource CU and open for at least 6 months. Loans having 2 skipped payments/extensions in a single calendar year are ineligible. Not available for mortgage, home equity, home improvement, balloon, certificate, share secured, Stride, workout or delinquent loans. **Line of Credit and Credit Card accounts have payments skipped automatically in November. Those loan types should not be included on this form.**

If your loan payments are automatically deducted from a MSCU account, your regular payment will not transfer. **Note: If payment is pre-scheduled through Home Banking, or any other type of automatic payment through another financial institution set up by the member, it is the member's responsibility to halt payment for the month skipped.** Interest will accrue on all affected loans and may cause the maturity date on each to be extended. Multiple skips may reduce potential GAP claim or credit insurance benefits.
