Your child can be WILD about saving

As a parent, you work hard to give your children the right start in life. You teach them their ABCs, how to count and the value of working hard. But one thing that can sometimes get overlooked is teaching kids about money.

WILD Savings Youth Account

At MemberSource, we help give your children a great start by saving money in a WILD Savings Youth Account.

Saving is fun!

Our WILD Savings program is designed to help children 10 years and younger get interested in money (not just how to spend it!) and learn the importance of saving. And, we make it fun with Safari Sam and his friends showing the way.

Open an Account Today

- ▶ A WILD Savings account is opened in child's name with parent as joint owner
- ▶ Minimum deposit is just \$5
- ▶ Begins earning dividends immediately
- ▶ New WILD Savings Kids Club members receive a safari theme gift at account opening
- ▶ Special events may be held throughout the year for kids club members

*Subject to availability. Other prizes of equal value may be substituted as needed. Prizes distributed at MSCU branches only.
